## garden sheds

With every building being hand built using traditional methods of construction, our tanalised garden sheds offer a unique combination of quality, bespoke versatility and exceptional value for money.

An attractive appearance and a convenient design make this the perfect storage solution that can be placed

up against the house or a fence, and provides you a roomy and functional place to store everything from garden tools to pool supplies.

Whether it's a standard wooden shed, or a children's playhouse, this garden building can blend into any landscape setting, built to last and look great for years to come.
